

דיסק מדהים. לזמרת איכויות קוליות נדירות. מוסיקה המנוגנת על ידי מיטב נגני הג'אז כולל  
עומר פארוק טקבילק. שירה עשירה, בדיסק עיבודים שיכולים להיות מנוגנים בפאבים של ג'אז ניו יורק  
ובסמטאות הרובע היהודי בירושלים. מגוון כל כך - שכל אחד יכול למצוא בו את שהוא הכי אוהב.  
מומלץ בחום! רוני פירו, ישראל.

"Hi, Ofri,

some time ago by chance I came across your site and liked the songs very much. I live in

**MOSCOW** and before that "met" Sephardic songs only twice.

When I found your site I realized that ladino/Sephardic songs are not something exotic :) and  
afterwards I found in the web and listened to a lot of artists and songs.

But nevertheless...

**You are my favorite ladino singer! :)**

**Actually, to be frank, I must say that in addition to your wonderful-beautiful-fantastic  
singing the accompaniment is really great. :)**

Now back to the subj. :)

About a week ago somewhere in the web (I tried to find it again today but failed) I saw Feb,  
6 as the date of your birth. Together with your age (available at myspace :)

it gave 16 Shevat (5729).

So if this is correct...

**HAPPY BIRTHDAY TO YOU AND MANY HAPPY RETURNS! :)**

And I'm sure **there are a lot of people admiring your singing** who would never  
write you - just not to seem a bore. Actually, I'm a person of such type myself. :) Just  
something came over me. ☺

Best wishes and good luck.

Wonderful, oriental, mediterranean, ... If you like Ofra Haza, you will love this album! I especially love track 5 because it's a wonderfully romantic song. I would love to hear you live in a warm summer night on an old city plaza...

Votre album sonne très vrai et très doux. Je l'aime parce que je pleure de joie et il me semble respirer avec vous lorsque je vous écoute. J'aime tous les morceaux, les musiciens et, surtout, l'une des plus belles voix du monde. Mon cœur est avec vous. Didier Cembre

The album sounds very true and very soft. I like it because I cry of joy and it makes me breathe with you when I listen to you. I like all the pieces, the musicians and, **Especially, one of the most beautiful voices of the world. My heart is with you.** Didier Cembre

Thanks to Daisylis for the recommendation. I thought most interesting the explanation for the term: Ladino Music . . . which tugged at my heartstrings for the Jewish people; forced to wander throughout the world in hardship, yet able to carry a rich heritage with them from land to land. Exotic and worldly . . . that first track just snapped up my full attention and improved my spirits immediately . . . lovely, gorgeous voice and exotic from the Middle East. Perhaps a short trip on the Silk Road somewhere. And OH MY did I love the beautiful vocals, violin and instrumentals from, "Adio kerida" which just drove itself into my heart and trembled there like an ancient song, melancholic and yet hopeful . . . beautiful . . .!! This album is stunning and worth a close listen. The instruments are acoustic and played under talented hands, and the female vocal is exceptional, expressive and emotional, yet very controlled, talented and obviously well trained . . . and the gorgeous compositions made me speechless . . . I was so impressed and moved by this music. Perfection - Wolfsong

### **Awesome - Lovely Ladino songs**

dalmaral • 2009-09-27 04:41:44

I believe this is so far the best ladino songs ever! The quality, the exotic sounds and the sweet vocals... Keep it up! Mazel tov!!

**In front of the obvious and apologizing to those who hypothetically may not think the same way about it...**

Carybe • 2011-01-27 17:12:03

I'd like to recommend this delightful album, with no reserves or doubts whatsoever. Because the obvious don't require any speech and we are in the presence of excellency, you just need to listen.

ho gustato le onde arabeggianti intrise da misiche di tante provenienze, molte sensazioni. Bello.

I enjoyed the waves of Arabian soaked of many backgrounds, many sensations. Beautiful.

Große Verneigung vor Musik und Gesang! Es ist mal wieder spät geworden in Sachen Musik, aber als ich dieses Album anklicke bin ich mit einem Schlag hellwach. VERSCHMELZUNG VON WORLD-MUSIK! Griechenland; der Orient aber auch typische Jüdisch klingende Elemente der Musik nehmen einen gefangen. Emotionaler Gesang, tragende Musik. Anspruchsvolle Musik! Greatings Carlos der Eisbär

Great tribute to music and singing! It is once again getting late in things musical, but when I click on this album, I'm using a percussion and I'm wide awake. Fusion of WORLD MUSIC! Greece, the Orient but also typical Jewish-sounding elements capture the music. Emotional singing, supportive music. Discerning music! Greatings Carlos the polar bear

**Orient East**

SkyFish • 2010-11-11 18:30:18

Un album aux sonorités orientales du plus bel effet, qui, plus est, agrémenté d'une superbe voix. Frais et dépayçant.

An album with Eastern sounds the most beautiful effect, which, more over, with a superb voice. Outgoing and exotic.

**Exceptionnellement magnifique Exceptionally beautiful**

Очень приятный альбом! На редкость сбалансированный сборник. Именно такую музыку слышал, прогуливаясь по Тоскане... Уж и не надеялся разыскать... Несказанно рад, ностальгия по Испании...

Very nice album! An exceptionally well-balanced collection. That kind of music heard while walking in Tuscany ... Oh, and did not expect to find ... **Unspeakably happy nostalgia for Spain**

**Magnifico    Magnificent**

merolar • 2011-10-11 14:00:12

Molto intriganti le melodie, e la fusione di motivi arabeggianti e le sonorità latine è riuscitissima, e la voce è stupenda. Credo che la tua musica dovrebbe essere conosciuta da un pubblico più vasto.

Complimenti!

Very intriguing melodies, and the fusion of arabesque motifs and sounds of Latin is very successful, and the voice is beautiful. I think that your music should be known to a wider audience. Congratulations!

VIBRA • 2010-11-13 17:25:55

como siempre y gracias a Coriandolo he vuelto a descubrir esa fascinación musical étnica con una voz superagradable y bien encajada a las armoniosas y bailables canciones.

as provided by Coriandolo I rediscovered fascination with ethnic musical voice and well fitted super gradable to the harmonious and danceable songs.

### **This Was The Best Sight Seeing Vacation I Ever Had... Wow...**

musicomyears • 2010-11-12 02:09:18

Do you know, I really basked and bathed and savour such mesmerising goodness and delectable glory and calmness, mellowness and peace and tranquillity on top. That was blissfully inside this heaven and god send album. With exceptional beautiful bewitching gorgeous, captivating, breathtaking female voice that sang directly to my heart and soul. That was like an angel. As she sang. I just simply sat quiet and listened and felt the beauty and awesomeness, just flow and express itself in everything from her voice, the mood setting music, the musicians and the pleasant, romantic, heartfelt, meaningful lyrics. with such articulation, skill and class and hypnotic, exotically, filled with magical and mystical Easter promises. And she delivered all to me. I pictured myself In Morocco And other exotic places and smelt and tasted and even touched every single things this gave me and so much more besides..I travelled and truly experience such joy, happiness and comfort and peace you would never believe. I saw the hustle and bustle of the markets in Morocco. And tasted and eat the exotic fruits and look at the magnificent colours of the spices and smelt them also. I saw and rode on a camel in Africa.. I went to Egypt and saw the pyramids and even when to Jerusalem and saw the wailing wall.
